Nominations Committee - Regional Council Roles

There is room for you ...

Volunteers are the lifeblood of the United Church. We rely on the wisdom and God-given talents that committed individuals bring to these positions. Some feel they are answering a spiritual call, and others are nominated by friends and colleagues who see that their abilities are just what the church needs. Nominations and self-nominations are equally valued, so please consider where you might be called, and talk to others about where they might find a place in the Northern Spirit Regional Council.

The Nominations Committee attempts to follow the diversity parameters established by the General Council of The United Church of Canada, and the Calls to the Church by the Caretakers of our Indigenous Circle. Diversity, in terms of racial and ethnic background, gender identity, sexual orientation, physical abilities, geographical location, vocation or economic status, makes us strong, by bringing a variety of important perspectives to the Regional Council's mission and ministry.

The following is a list of the roles on the Executive, Commissions, Committees and Task Groups that currently carry out the mission and ministry of the Regional Council. If you, or someone you know, is interested in playing a role as the Regional Council continues to develop its mission and ministry, please complete the online [Expression of Interest and Nominations Form](#).
